DESCRIPTION

WHO: This course is appropriate for workers in the service industries such as hotel workers, food service workers, office assistants and other service workers.

WHAT: **ESL** for service workers is a specially formulated class for workers in the service industry, and those looking to enter the service industry in the US or other English-speaking country. This course assumes that the learner already has some basic English competence and that they are working or looking for work in the service industry.

WHERE: These workshops are offered by **WLS** (Workplace Learning Solutions) in Atlanta Georgia in a face to face setting.

5-week course- 4 days/week (2 hours/day)
40 hours face-to-face instruction
